

Proudly Representing:

EVAPCO

www.evapco.com

- Open and Closed Circuit Cooling Towers
- Evaporative Condensers
- Counterflow, Induced draft, Forced Draft
- CTI Certified, IBC Compliant, OSHPD Approved
- **Pulse-Pure** Chemical-Free H2O Treatment – **LEED**
- Smart Shield hard chemical water treatment
- New Ellipti-Fin “water saving” coil fluid cooler
- Super low sound “Trident Style” axial fan

SMARTD CHILLERS

www.smartd.com

- Water Cooled Chillers 60 – 900 tons – **LEED**
- Air Cooled Chillers 60 – 360 tons – **LEED**
- Danfoss TurboCor Centrifugal Compressor
- CPEC Central Plant Controller - **LEED**

ARMSTRONG PUMPS

www.armstrongpumps.com

- Vertical In-line pumps, Horizontal split case, Base Mounted Centrifugal Pumps
- Packaged Pump & Chiller Systems - **LEED**
- Hartman Loop Controller - **LEED**
- Shell & Tube, Plate Heat Exchangers

HAAKON

www.haakon.com

- Custom Air-Handlers - 2000 to 200,000 CFM
- Largest AHU manufacturer in North America
- Electrical Panels, Piping, Humidifiers, Heat Recovery, Silencers, Custom DX

CLIMACOOL

www.climacoolcorp.com

- Modular Chillers – Water Cooled/Air Cooled - **LEED**
- Modular Heat Pumps - **LEED**
- OSHPD Pre-Approval
- Modules Fit Thru Doorway, In Elevator
- True Operational Redundancy

TECOCHILL

www.tecogen.com

- Natural Gas Engine Chillers HVAC Applications - **LEED**

LAKOS

www.lakos.com

- Packaged Centrifugal Separator System – **LEED**
- Complete Line of Water filtration Systems

WESTAIRE

www.westaireengineering.com

- Indirect/Direct Evaporative Coolers - **LEED**
- Heat Recovery – Heat wheel
- Air Handlers

FLORIDA HEAT PUMP

www.fhp-mfg.com

- Super High Efficiency WSHP
- ASHRAE 2010 Ready R-410a Refrigerant - **LEED**
- Horizontal, Vertical, Console and Rooftop Models

ALFA LAVAL

www.alfalaval.com

- Industry Leader in HVAC Plate Heat Exchangers
- Plate and Frame, Brazed Construction
- ALL types of Stainless Steel options
- Double Wall options

THERMAL SOLUTIONS

www.thermalsolutions.com

- 88 to 93% thermal efficiency – **LEED**
- Copper Tube Non-condensing and condensing boilers
- Ceramic Radiant Burner, SS Combustion Chamber
- Less than 9.9 ppm NOx – Standard - **LEED**
- UL Rated for Outdoor Installation

ARMSTRONG INTERNATIONAL

www.armstrong-intl.com

- Humidifiers for HVAC applications
- Electrode & Resistance w/SSR Modulation
- Ionic bed “Humidiclean” Technology

YASKAWA

www.yaskawa.com

- Variable Frequency Drives – to 1000 HP
- NEMA 1, 3R, 4,4X
- “Redundant” VFD Bypass, Low Harmonics

VALENT (Unison Comfort)

www.valentair.com

- Semi - custom packaged DX RTU
- 100% outside air systems - **LEED**
- Precise temperature control
- Flat Plate Heat recovery – Air/Water Heat pump
- Chilled water coil with gas heat

INNOVENT (Unison Comfort)

www.innoventair.com

- Custom DX packaged HVAC units
- Air to air – Flat Plate heat recovery - **LEED**
- Custom AHU
- Refrigeration, heat pump AC units
- Replacement Multizone
- Precise dehumidification

RETROVENT (Unison Comfort)

- EXACT Replacement rooftop AC units
- Digital scroll compressors
- Original footprint/weight - most major manufacturers
- High efficiency, increased capacity
